

**THE TRAINING
NOTEBOOK ONE**

**PERSONAL TRAINERS,
NOTEBOOK
OR APP?**

Your client asks if they're making progress.

So you flip back through weeks of pages.

SWIPE

**Paper has
the numbers.
It can't show
the trend.**

And the trend is what they pay to see.

SWIPE

The app draws it for you.

*Body weight
on a graph*

*Body fat at
every check-in*

Paper or app?

Which one runs your sessions?
